

Conf

10 September 1985

NOTE FOR: C/IMSS

FROM:

Acting Director of Logistics

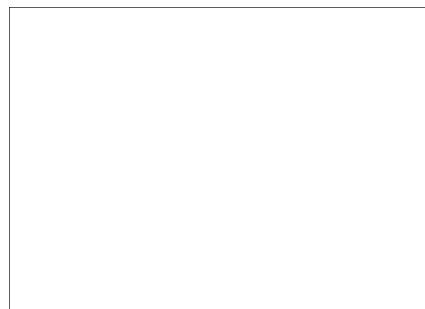

SUBJECT: October Session

*Long*

Attached is your submission regarding the October conference.

I believe we should forward copies of the DDA goals for FY-86 to all OL components so they can further refine or elaborate on their objectives at the conference. Please consider appropriate segments of "CLAS" as an objective for IMSS in FY-86.
